

FACT SHEET

THE PLACE

2,300 hectares (5,689 acres) of imposing rocky formations and millennial hills offering unique landscapes.

THE HOUSE

The spectacular 100 year old farmhouse has been totally restored. Its interiors boast the comfort of a luxury hotel together with the warmth typical of the country side.

RELAX

Each room offers a unique experience. The Rooms feature two bedrooms and a bathroom with bathtub. The Suites display a family room and a bathroom with shower.

SPACES

Every spot within Dos Lunas invites to enjoy a different experience. There is a perfect option for each moment according to the season and the weather.

GOURMET

Breakfast room – Main dinig room – Quincho – Poolbar

RELAX

Living room – Play room – Swimming pool

EXPERIENCES

The tours around the valley, coordinated by expert guides and providing the best equipment, are the highlight of Dos Lunas and make of it a premium destination.

HORSE-RIDING

Explore the valley from horseback together with our expert staff through a variety of paths featuring different levels of difficulty and length.

ON FOOT

Trekking is also an option to visit the area and actively enjoy its beauty through specially selected paths.
